

Dear Peace River Presbytery,

At the September 12th Stated Meeting of Presbytery, the body approved the *Church in the Virtual World* grant program. Part of that included the opportunity to register for a six-week program through *Worship Design Studio* to prepare for Advent. The registration for that course is now open and I encourage you to share this with your worship committees/teams. Please let me know if you have any questions about the program.

The Gift of Revitalization: 6-week interactive online worship learning with Dr. Marcia McFee - Free to You

We care about resourcing the churches in this area, and we are pleased to offer you the chance to participate in Dr. Marcia McFee's "Reboot Your Worship" training at no cost to you starting on September 20th, 2020. Our participation gives you access to 6 weeks of downloadable resources (articles and videos) and 6 live webinars (also recorded for your archives) with Dr. McFee, a renowned worship designer, consultant, and educator (www.marciamcfee.com). She will be training churches in five basic ways to improve their worship immediately, no matter the size or style of worship and without a big budget or drastic change. Just as we have an occasional need to reboot our computers, "rebooting" your worship is simply a way to look through fresh eyes and get some fresh skills. **This course is also tailored to approach worship practices during the pandemic and will explore the basics of sensory-rich worship design while emphasizing safety protocols and getting creative for online expressions without burning out.** AND Dr. McFee will be getting you ready for your best Advent season ever all along the way! All you need to do is register (at no charge) to receive the emails. You can invite unlimited members of your worship team (or potential worship team members) to receive these communications as well. We encourage you to take advantage of this free offer (usually \$99 per church) made possible through our area's registration.
