

PEACE RIVER PRESBYTERY

Weekly Presbytery Letter ~ May 24, 2018

Dear Members and Friends of Peace River Presbytery,

It is with a full heart and deep sense of gratitude that I look back over 17 years of ministry here in Peace River. Last week at the May 17, 2018 Presbytery meeting, I announced that I will retire in March, 2019, having served here - at that point - over 18 years. Who would have thought? There is so much to say and we will have time to talk but, for now, thank you. If you want to read:

- the remarks I made at the Presbytery meeting - [click here](#),
- the retirement letter that went out to Members of the Presbytery last week - [click here](#),
- the Path/Plan that the Steering Committee presented, and the Presbytery endorsed as to next steps - [click here](#).

Below is the Report to the Presbytery from the Strategic Review and Planning Team, which was presented at the Presbytery meeting. They have done great work and, on our behalf, I want to thank them! So, for now, I will continue to work on your behalf as your General Presbyter and I am grateful for the work of so many, who are beginning the conversations that will lead to the next chapter in the life of Peace River Presbytery, and the next person "called" to serve you.

If you have questions about next steps or contact information for questions you may have, [click here](#) to go to the Presbytery website, or if you want to talk, let me know.

*Grateful to God
who is the wind in our sails
and the rudder to guide us in the way!*

STEERING COMMITTEE

General Presbyter Transition Report

At May 3, 2018 meeting of the Steering Committee the following motions were approved:

1. The Personnel Committee recommends the use of the Adaptive Transition model for the succession process of the current General Presbyter.

Rationale:

- a. Review of the state of Peace River Presbytery indicates that it is healthy and stable.
- b. The Presbytery will be better served by a process of continuity.

2. Jointly the Personnel Committee and the Strategic Task Force recommend that the Strategic Task Force continue its work to include a draft of the Ministry Information Form (MIF).

3. Jointly the Personnel Committee and the Strategic Task Force recommend that the Personnel Committee update the General Presbyter's job description and competencies in accordance with the MIF.

4. Jointly the Steering Committee and the Nominating and Representation Committee will provide a slate of candidates to be elected by the Presbytery to the Search Committee (at a called meeting of Presbytery in August).

During the transition period the General Presbyter will not be involved in the process except as a resource when specifically asked. Input from outside resources may be requested.

Next Steps:

1. Strategic Task Force completes Ministry Information Form (MIF) in conjunction with Personnel's work on Job Description.

2. Steering Committee and Nominations Committee present a Search Committee slate (probably 5 to 7 people, with balanced representation between teaching and ruling elders. No more than one member from a church. (Nominations accepted from Presbytery by June 15).

3. August 9, 2018, a called meeting of Presbytery, that includes election of the Search Committee and review of MIF with opportunity for input.

4. Final MIF is approved by the Steering Committee and the search begins. (mid-September)

5. Plans are made for celebration activities.

6. February 2019, Presbytery meeting will be Graham's last Presbytery meeting with plans to retire at the end of March 2019.
