

PEACE RIVER PRESBYTERY

Weekly Presbytery Letter ~ May 30, 2018

Come Grow With Us!

"To plant a garden is to believe in tomorrow." — Audrey Hepburn

For close to twelve years, Misión Peniel has existed to address the isolation and injustice among the migrant farmworkers in Immokalee, Florida, providing support to them through spiritual and material care. As a mission of the Peace River Presbytery, we have sought to build a compassionate bridge connecting migrant farmworkers in Immokalee to faith communities in Southwest Florida and beyond. Now that we have adequate backyard space, we are able to build on our mission statement by developing a garden that reflects the cultural needs of those whom we serve. Initial plans have been developed with the help of the non-profit, [Cultivate Abundance](#) and "seed money" from MP friends and partner churches. We will officially break ground this summer, once a fence is installed around the garden area. In the meantime, we have been working with a group of women from the community to identify food

scarcity issues and creative ways to address them together. Our goal is to empower farmworker families to lead the way in further developing sustainable food sources through the mission garden.

At the end of April, this group of women helped transfer over 100 seedling plants to portable containers that could be taken to their homes. Some of what was transplanted included: Okra, Chipilin, Eggplant, Tomatoes, Mustard Greens, Amaranth and Purslane, which are foods familiar to their culture. These women are recording the progress of their plants and will report back in June. Earlier this month, Misión Peniel hosted a potluck luncheon with this group of women. Some of the dishes shared included vegetables from their container gardens. It was an exciting month for garden progress!

We invite churches and individuals with an interest in gardening to help support this new ministry in any of the following ways:

- Volunteer in the garden—schedule a work day with a small group from your church;
- Participate in workshops and garden demonstrations at the mission;

- Help spread the word about the garden to groups within your church and community;
- Support the garden through financial and in kind donations.

We thank God for this new opportunity to meet the needs of the farmworker community in Immokalee and look forward to new opportunities for involving churches and individuals in this mission ministry.

“Almost certainly, however, the first essential component of social justice is adequate food for all people. Food is the moral right of all who are born into this world.” — Norman Borlaug

Notable Updates:

Donations: *Our most critical need is non-perishable food items of rice, beans, canned meats, vegetables, fruits, peanut butter and oatmeal and diapers, sizes 5 and 6 only. thank you! Visit our website for additional current needs list: www.misionpeniel.com*

Thinking ahead to Christmas...

We invite you to include Misión Peniel in your Christmas outreach plans. This year, we are asking for churches to join our Angel Tree campaign which involves collecting a simple outfit of new clothing for children ages newborn to twelve years old. This will replace filled shoe box and toy collections. Participating churches will be given a specific number of gift tags (your choice re number), specifying the size and gender of the outfit needed. These will then be brought to the mission by December 14th for distribution on Dec. 21st. Details and promotional help will be available beginning July 15th. Thank you for considering partnering with us in this new way!
