Feeding the Mind, Spirit, and Body of the farmworking community and our neighbors in need, through opportunities for hunger relief, education, healthcare, and spiritual growth.

### Back to School 2021

You can help our students be ready for school!

Organize a school supply drive by sharing this email with your friends and family.

- Drop off the supplies you gather
- Buy them online using Amazon Smile
- Send us your monetary donations to support this program

Every year over 500 students in our area receive a backpack with all the utensils needed to start the academic year on the right foot.

This is especially helpful to our families who experience income insecurity through the summer months.

Here is a list of all the supplies we need:

Thankfully we have a much better hold on the coronavirus pandemic than we did a year ago. Still, we need to prepare for this season with our safety protocols in minds.”
