Presbytery Weekly E-Newsletter ~ October 31, 2020

Reboot Your Worship

We want you to feel prepared for meaningful and memorable worship during the upcoming Advent/Christmas season, and to have access to some new planning tools and resources for online worship and/or adapted in-person worship that follows safety protocols. Our region purchased access to Dr. Marcia McFee's *Reboot Your Worship* continuing education course. The live version of it ended this past week, but you can complete this course at your own pace by signing up at our registration link:

Here is just some of the positive feedback Reboot participants have shared about this course:

The Reboot your Worship session with Marcia yesterday was gob-smacking INCREDIBLE! Big thanks to you...for setting this up. I'm thinking where folks may be already grieving the anticipated losses around Advent and Christmas, we are going to be wonderfully set up to engage people in something very rich and beautiful. It's exciting!

Marcia, I love your humor! I've laughed out loud several times this morning...as well as drinking from the fire hose with gratitude and excitement.

Thankful for this opportunity! Best ever. Helpful, real, do-able ways to bring the Spirit to our worship services. Thank you! Bless you.

Participation in this course is equivalent to 1.5 CEU's for those who need them. Take the Reboot survey at the end of the course to receive credits for your participation.
