- Seeing and hearing a lot about what happened at this year's PC(USA) General Assembly? Wondering how it impacts you and your congregation? Today's keynote time will feature a conversation with Peace River Presbytery's commissioners and young adult advisory delegate to the 225th General Assembly this past summer. Hear about their experiences serving on committees, their views on some of the most meaningful items to emerge from this GA and understand how these things impact our local congregations here in Peace River.*
